How can I stay informed about Golf Events and Golf Operations?

To insure that CCGL members are kept updated of event dates, formats, hours of operation, etc., the following resources can be accessed:

1. Golf Program Book

The Golf Shop publishes this Golf Program Booklet which is available on our club website:

www.crosscreekgolflinks.com

This booklet contains important information on all club events that have been scheduled for the season. It is advised that our members access the website and print a copy of the Golf Program Book for reference throughout the season. The Golf Program Book will contain all event information, including dates, times, formats, and eligibility.

2. Monthly Forecast Newsletter

The monthly “Forecast” includes more detailed information about what is upcoming, such as Hours of Operation, Upcoming Events, dates, times, and formats for all of our golf programs. ***The Forecast is our primary means of communication with our members.*** If members do not read the newsletter, they will miss out on key information. Our club newsletter is available on the club’s event bulletin board, on the website, and is emailed monthly to the membership.

3. Sign-Up Sheets

Each member event will have a sign-up sheet on the clubhouse bulletin board. The sign-up sheet will contain all information for that particular event: date, time, format, cost, pairing information (whether players form their own groups), etc.

4. Communicate directly with me

You can always communicate directly with me either by phone or e-mail regarding upcoming events, instruction, equipment needs, or any questions regarding your club.

Cross Creek Golf Links

Player and Course Etiquette

Golf is a game that is intended to be played by ladies and gentlemen. With the alarming lack of civility found in the world today, CCGL encourages all members and their guests to show pride in the game and in our golf course by treating others with respect and contributing to the daily upkeep and maintenance of the course.

Therefore, we ask all of our members and their guests to keep the following in mind so that their golf experience at CCGL will be second to none:

- Rake bunkers after hitting your shot.
- Repair all ball marks by pushing the grass to the center of the mark. Tap the old mark flat with your putter.
- Replace your divots.
- Use sand containers (where available) to fill in divots.
- Observe all golf cart signage and keep golf carts at least 30 feet from all greens.
- Keep golf carts on cart paths when cart paths are available.
- **Always check in with the Golf Shop before starting your round.**
- Please do not start your round from hole #10 without permission from the Golf Shop.
- Allow faster groups to “play through”. If the group behind is pushing you, please ask them to play through.

Thank you for your help and consideration in treating fellow members, guests, staff, and our golf course with respect.

2018 LADIES GOLF LEAGUES

Ladies Senior Morning League

The Ladies Senior League is a 9-hole scramble. There is no need to sign-up; teams are drawn each morning after all players have arrived. Members and non-members are welcome to play. There is a small fee each week which covers golf, cart use, prizes and lunch.

Shotgun start at 9:00 a.m. League play is every Wednesday morning beginning May 3rd and continuing until September 27th, unless otherwise noted.

Ladies Thursday Evening League

9 Hole Team League- This is a golf format that will provide a good mix of fun and competition. Members will sign up as 2-person teams. Teams will be playing a “**Scramble.**” The 2-lady team concept was designed to allow ladies to play with their regular friends, but also allow them to socialize with the rest of the league members by being paired against a different 2-lady team each week. Additionally, if a team member cannot be present, the team can still compete by finding a sub, or even playing as a team of 1. By using the Scramble format, ladies can still compete without being discouraged by a bad hole or two. This format will reduce the pressure to “perform” a little, but it will still give those wanting to post a good score a chance to compete.

Cost:

The cost to play in the Ladies Wednesday Evening League is \$50.00 per player, which includes the cost of your GHIN handicap for the season, end of year payouts and weekly flag prizes.

Time:

Ladies league will shotgun start at 6:00pm

MENS GOLF LEAGUES

Men's Senior Morning League

Men's Senior League is a 9-hole scramble. There is no need to sign up; teams are drawn after all players have arrived. Members and non-members are welcome to play. There is a small fee each week which covers golf, cart use, prizes and lunch.

Shotgun start at 9:00 a.m. League play is every Tuesday morning May 2nd through September 26th, unless otherwise noted.

Men's Evening League

Don't miss out on the most popular competitive golf program at CCGL! The Men's Evening League sign-up sheet is posted on the golf shop bulletin. You can sign up in person, by phone or by e-mail.

Time:

Be at your tee and ready to start at 6:00 p.m. If one of your team members can't make it, you may find a sub. Players are responsible for finding their own subs. ***Please call the Golf Shop by noon Tuesday (697-4768) if your team has a substitute player so that we can make the changes on the scorecard.***

Format:

4-Man teams consisting of an A, B, C, and D player compete each week. Teams will be selected by their respective Team Captains by April 18th. League dues are payable at that time to the men's league committee.

Scoring:

There are 12 points at stake for every 9 hole match of league play;

- 1 point per hole = 9 points for 9 holes.
- 3 points for low net 9 hole score.

After the match, one player from the group is responsible for returning the scorecard to the golf shop. It should be completely filled out with the correct score and points awarded for each player.

Forfeiture of points or match: If a player is a no-show, they forfeit 9 points to their opponent. If they arrive late (meaning their group has teed off their starting hole) the player will then forfeit that hole and record a score of 1 net stroke higher than his opponent.

Handicap Reporting:

The Golf Shop will post your 9 hole league scores into the GHIN system.

Rainouts:

If rained out before all matches have 6 holes completed, all matches are cancelled and no points are awarded. If match is rained out after 6 holes or more are completed, points won at the halt of play will be counted and the rest of the holes will be ties.

Cost:

League dues (amount yet to be determined) will be paid directly to the men's league committee on or before the first night of league play. Cash or check only please. Debit or credit cards cannot be accepted.

3 Person Scramble League

3 Person scramble 9- Hole League is open to all Members. Teams will consist of 3 players playing a scramble. You will be setup against different teams each week. You do not have to play against the other team but your match should be finished by the Sunday of that current week. If your team does not compete that week your team will forfeit the match for that week. There is a possible reprieve if the team does play both rounds on a day that next week.

Divisions will be determined after the first 3 weeks. From then on each team will get 30% of their combined handicap.

Starts: June 4th and Ends: August 5th.

Fall League:

Fall League is open to men and women. The formats are fun, and do not “require” you to participate every week (we hope you will want to be there each week, but we understand this is not always possible). You sign up as a 2-person team. Each night of fall league will be a separate event with each team playing against the field. There will be a separate payout for each night. A Sign-Up Sheet for the Fall League will be posted on the bulletin board when the calendar gets close to fall.

Fall League will be played at 5:15 PM on Wednesday nights and will last 6 weeks, September 19th through October 24th.

The deadline for Fall League sign-up will be September, 10th.

COUPLES GOLF EVENTS

Teams will consist of 4 or 6 players depending on that particular night’s format. Event fee is \$25 per couple which includes golf, prizes and hors d’oeuvres after golf. Non-members are welcome to play with no additional green fees, but would need to pay a standard cart rental fee if cart is needed. Sign-up sheets can be found on the bulletin board.

- **Saturday, October 6th, 10:00 a.m.**

Jack & Jill Format – both players hit drives; you'll then hit each other's 2nd shots, then pick the best one and play alternate shot in. (meaning: if you pick the man's second shot the women would hit the third, then the man would hit the fourth.)

A team consists of 2 people. You'll be playing in 4 or 6-somes and may choose your own groups.

2018 JUNIOR GOLF PROGRAMS

Junior golf is the Lifeblood of any club. As a PGA Professional I am deeply committed to improving the interest and skills of our club's junior golfers. As a result I have divided up our Junior Program into 2 distinct segments; Junior Camp and the Advanced Junior Program. This will allow our juniors to learn the wonderful game of golf in the best learning atmosphere possible.

Junior Camp

Our junior camp is open to juniors ages 5-13. The junior camps will focus on basic fundamentals of putting, chipping, full swing, and rules of golf. We will have 3 separate age groups each day.

1. Ages 5-7 will run from 9:00am to 9:45am.
2. Ages 8-10 will run from 10:00am to 10:45am
3. Ages 11-13 will run from 11:00am to 11:45am

The fee for the camp is \$50 per Junior per Camp.

Camp #1: June 5th – 8th (Tuesday thru Friday)

Camp #2: June 12th -15th (Tuesday thru Friday)

Camp #3: June 19th – 22nd (Tuesday thru Friday)

Meeting Time/Place: We will meet 5 minutes before your start time in front of the golf shop doors.
Equipment Needed: If the Juniors have equipment please bring it with them. If not then we have equipment for them here to use.

Please note: In the event of inclement weather, please have alternative plans for your children.

Advanced Junior Program

The advanced Junior Program is geared towards juniors who want to play competitive golf at the high school and collegiate level. In order to participate in the program, the junior golfer must be at least 13 years of age. **The advanced program is based completely upon individual instruction and work ethic of the junior.**

The junior golfer is entitled to unlimited instruction with PGA Professional Andrew Smeal, upon completion of 4 hours of individual practice. This requires the junior to sign in and out at the golf shop and log practice time on the driving range or putting green. (Playing holes will not count as a practice time)

Advanced Junior Program Fee: \$75 per Junior

***Please Note:** The Advanced Junior Program is designed to help the Junior Golfer understand and appreciate the importance of practice, self-discipline, and personal responsibility. For this reason I ask that the Junior Golfer (not the parent) be the one to set up his or her own lesson upon completion of the 4 hours of practice.
